2015 Mother's Day Weekend Art, Garden & Studio Tour - Call for Docents

We Still Need a Few Docents for **Sunday (only) for the SDAG 2015 Mother's Day Weekend Art, Garden & Studio Tour!**

The San Dieguito Art Guild needs docents for its annual Mothers' Day Event which will take place Saturday, May 9 and Sunday, May 10.

Each day has two shifts. **Docents only need to do ONE shift....** either morning or afternoon. The morning shift is from 10:00 - 1:00pm and the afternoon shift is from 1:00 - 4:00pm. The job involves checking people in and directing them as needed. You will be given training.

Docents get two free tickets for the tour. This is a great event. You will meet some nice people, see the beautiful homes and peruse the wonderful art. Please volunteer by notifying Grace Swanson at swanson121@cox.net

Message from SDAG President

It's hard to believe that our Mother's Day Weekend Art, Garden & Studio Tour is almost here. Under the direction of Laura Lowenstein and a fabulous group of volunteers, we are well under way with all our plans. We do, however, need YOU!

If you aren't an artist in the event, SDAG really needs your help in two very important ways:

1. We need docents! We have 10 wonderful homes this year and that requires a lot of docents. It requires only a 1 hour training session and a 3 hour work staffing time slot on either Saturday or Sunday. In return for that, you get two free tickets to the tour, so you can bring your favorite someone either the balance of the day you work or the other day.... Or both!
2. Tell your friends and organizations you belong to about it. Post it on Facebook! Get the word out! We need all the publicity we can get! And maybe your organization, or any of your friends, would like to be a docent. They would get the same perks as you do!

Here's what to tell them:

Take your mom or best friends on a leisurely tour of 10 North County homes where you can peek into an assortment of fascinating artists' studios, peruse more than 30 unique exhibits of locally made art, and relax in each unique coastal garden. Artists from the San Dieguito Art Guild will be positioned in the gardens - showing and selling their paintings, ceramics, glass, gourd art, fiber arts, photography, jewelry, and much more. Free refreshments will be served at every stop. The homes are within easy driving distance in the Encinitas area. Many feature working artists' studios. Four homes have full, drop-dead, gorgeous, 180 degree ocean views. Each home is as unique as the artists and owners are.

Thanks for being part of SDAG!

Carol Korfin

President

Email me at President@sandieguitoartguild.com and let me know you will help make our Guild even more successful than ever.

Encinitas Street Faire - Help Promote the Guild and Mother's Day Tour

Help Promote the Guild and Mother's Day Tour

The San Dieguito Art Guild will have a (non-profit) booth at the Encinitas Street Faire, Saturday and Sunday, **April 25 and 26** from 9am to 5pm. We don't have the exact location yet, but will be on Highway 101 close to the gallery.

If you would like to help promote the Guild and Mother's Day tour for a few hours (or the whole weekend) please contact Grace Swanson at swanson121@cox.net We will also take this opportunity to hand out bookmarks and sell tickets for the Mother's Day tour.

You may, of course, bring your artwork to sell. However, we have found in the past that this venue is better used to promote the gallery and guild than to sell fine art. People who go to the street faire seem to be looking for inexpensive, bargain items.

- * You are certainly welcome to bring your art and offer it for sale.
- * You may have your own artwork in the booth **ONLY** while you are physically there. There will not be anyone to sell your work for you. You may not just drop off your art and ask that the other participants to sell it for you.
- * The booth needs to be taken down completely at the end of day Saturday and put up again on Sunday morning so extra help at the beginning and end of both days is most appreciated. We will stash all the booth stuff in the Gallery over night.
- * Even if you don't really have anything you want to sell - come hang out with your art friends from the gallery and talk, talk, talk to the people passing by. We always have fun.

April Monthly Show Judge - Richard Hawk

Richard Hawk is an internationally collected artist living and working in San Diego, California. A figurative painter on canvas and paper, he also works in special oxidation techniques on copper.

ARTIST'S STATEMENT

My work at this time makes extensive use of the oxidation of copper to create the underlying composition on which to paint. Copper is capable of extraordinary color, textural variation, and naturalistic character when oxidized - that is, exposed to certain natural acidic catalysts.

These oxidation effects are difficult to control and master. In fact, mastering the materials fully in the usual sense is impossible. Striving to do so, however, results in a co creative visual poetry that keeps me coming back for more.

In observing, exploring, and trying to understand life and art, I have come to realize that I am attracted to the uncontrollable. More specifically, I am drawn to that difficult sector where the controlled and the uncontrollable meet. Exciting things happen there.

When it comes to the painting part of these works, rapid alla prima painting, which forces reliance on internalized knowledge and instinct rather than cognitive processes, perpetuates the unbridled character of the work.

Paradoxically, planning and design and specific intentions for the end result of the work are very much in play. Efforts at control are tempered with great respect for - even pursuit of - the accidental.

Ideally in every creative work, a balance is struck between the intention of artistic control and the previously unimagined results of magnificent forces beyond those of the artist. This is co creation at its best.

May Monthly Show Judge - Richard Stergulz

Richard is an Illinois native who by the age of eight knew he wanted to be an artist. He graduated from the American Academy of Art in Chicago in 1983 which began his successful commercial art career. After 12 years of doing commercial art, Richard felt it was time to fine tune his fine art style.

Richard moved to California in 1995 and started painting for himself in a realistic style with a touch of Russian impressionism. "I admire the Russian Impressionists, especially Nickolai Fechin, for their

intense brush strokes that exude passion into their paintings. I also admire Norman Rockwell for his amazing drawing ability and the volume of work he produced in his lifetime."

Lastly, Richard admires John Singer Sargent for his portrait work. "His portraits give a sense of reality but still have a painterly style which I hope to aspire to."

Richard works in oils on masonite board. His work is mostly figurative and he has started plein air painting as much as possible. He teaches class four days a week as well as doing demos for most of the Art Associations in San Diego and Riverside counties.

Richard's work hangs in galleries in Santa Monica, Idyllwild and Vista, California. His paintings have won numerous awards from Best of Show to People's Choice.

MAY 17TH, Workshop with ARTIST'S DEBBY AND LARRY KLINE "DRAWING WITH THE KLINES"

About the workshop: We will be discussing our work and how we collaborate, mostly as a means to generate images and ideas. We will then engage the group in activities to help them create and collaborate. Attendees will be drawing, so feel free to bring a sketch pad and any your choice of drawing materials.

Artist's statement: We use our Art to make people think differently. We pose provocative questions, challenge preconceptions and generally screw with context to make a point. Humor softens the blow. Our media varies from project to project. We believe that artists (and audiences) are at their best when working beyond their comfort zones so we venture toward media with which we are less familiar or entirely untested. It is the process of experimentation that leads to truly amazing things in the studio. This means we may work with traditional sculptural media or explore the potential of materials such as fluorescent light bulbs, tobacco, salt, prescription

medication, mud, foam, cement and ketchup. Our subjects vary but some examples of issues that we have tackled include religious tolerance, California/Mexico relations, medical access and environmental issues.

Debby and Larry Kline were awarded the 2013 San Diego Art Prize and Established Artist Grant, which recognizes the work of some of the most accomplished artists in the San Diego/Tijuana region. They were also featured in an Emmy Award winning episode of ArtPulse TV in 2014.

SAN DIEGUITO ART GUILD
Off Track Gallery
The San Dieguito Art Guild, a non-profit group that celebrates its 50th Anniversary this year, hosts their Mother's Day Weekend Art, Garden, & Studio Tour. This is a self-guided, driving tour on Saturday and Sunday, Mother's Day weekend. Tickets are good for both days and homes may be re-visited.

Take mom or best friends on a leisurely tour of ten exquisite North County homes where you can peek into an assortment of fascinating artists' studios, peruse more than 30 unique exhibits of locally made art, and relax in each unique coastal garden. Artists from the San Dieguito Art Guild will be in the gardens showing and selling their paintings, ceramics, glass, gourd art, fiber arts, photography, jewelry, and more. Free refreshments will be served at every stop.

The ten homes are within easy driving distance in the Encinitas area. Many feature working artists' studios. Four

homes have gorgeous, 180 degree ocean views. Each home is as unique as the artists and owners are. This year's tour chair, Laura Lowenstein says, "The art guild is gearing up for another wonderful tour of local homes with talented artists placed in each garden." This event is the major fund-raiser for the San Dieguito Art Guild. Tickets are \$20 per person and may be purchased at the Off Track Gallery or at www.OffTrackGallery.com or at each home both days of the tour.

The San Dieguito Art Guild is an organization dedicated to furthering artistic understanding and fostering artistic growth of members and the community. 10% of the net proceeds from the tour will be awarded to four promising students from MiraCosta College, Oceanside. For more information visit www.SanDieguitoArtGuild.com or call (760) 805-0434.

Be an art tour docent

ENCINITAS— You can earn free tickets to the San Dieguito Art Guild 2015 Mother's Day Weekend Art, Garden & Studio tour May 9 and May 10.

The group is looking for tour docents.

Docents may choose May 9 or May 10 but Sundays are harder to fill.

It will make things easier for Diann Abadie who does the assignments to the homes, if you have no strong choice on day or time.

They need the people who are flexible. You can request a 10 a.m. to 1 p.m. shift or one from 1 to 4 p.m.

Duties will include:

- Check to make sure guests have a ticket and tell them how to get started on the tour for that house

- Sell a ticket to any guest who does not have one (you will be trained)

- Some homes may need a docent to escort a guest to the (indoor) restroom as per the host home request.

Each docent/greeter will receive two tickets so they can grab a friend and enjoy the rest of the tour either on the same day as their assigned shift or on the alternate day.

Their tickets are good for both days and homes may be re-visited.

Docents will need to attend one of the training sessions, either 10:30 to 11:30 a.m. May 2 or 10:30 to 11:30 a.m. May 4 in the US Bank conference room, 131 N. El Camino Real. For more information, email swanson121@cox.net.

Marjorie Lewis-Stoker

Marge, a SDAG member from 1975 to 1992, passed away on March 25, 2015 in Encinitas.

She first held the position of Treasurer, then President, then Art Chairman (which is now Wall Chair), and finally Gallery Chairman (which is now Gallery Manager). She was a member of the Guild during the same years as Terry Oshrin's mom.

She worked in oils, pastel, and mixed media. Marge's daughter donated many of her mom's frames and paintings to the guild and we have given them to T.E.R.i.

Message from SDAG President

Never bored with my Board!

Have I told you lately what a great Board of Directors I have working with me this year? They are absolutely amazing. Not only does each one of them do a great job in the position they hold, they are so willing to help out their fellow board members when they need a helping hand.

We have the most interesting, jam-packed board meetings. We accomplish a lot and we laugh a lot. I am so lucky to have them serving with me. Makes my job easier! Just thought you ought to know!

Thanks Alessandra, Cindy, Devorah, Dolores, Grace, Jill, Julie, Karen, Lin, Linda, Linda, Lynn, Pam, Rita, Sharon, Susan, and Terry (and Laura, our Mother's Day Chair). Listed them alphabetically so I can't be accused of playing favorites!

Carol Korfin
President

Email me at President@sandieguitoartguild.com and let me know you will help make our Guild even more successful than ever.

Golden Acrylics Demo - Kevin Greeland

On Sunday, April 19, the San Dieguito Art Guild and Kevin Greeland, field representative for Golden Acrylics, was eagerly appreciated by 30 artists of all art mediums. Golden watercolors, oils, acrylics, gels, paste and an endless array of samples were passed around by the informational artist who answered new and endless questions.

SDAG hopes to bring back Kevin and Golden Products for a hands on workshop in our Future Dialogue, Demos and Art program which is sponsored by the Mizel Grant and which is free to the public. Programs are held at the Encinitas Library.

No one can talk about Golden Products, dripping and joking and pushing how to do as well as the exquisite Kevin Greeland...whew.

SDAG and Pinterest

SDAG is now on Pinterest! This is a great way for the Guild and its members to promote our art and events to a worldwide audience and make it easier for locals to see what we're up to.

Are you on Pinterest? If you have a Pinterest account you can "Follow" the SDAG boards by visiting <https://www.pinterest.com/sandieguitoart/> and clicking the red "Follow" button at the top right

corner.

Are you on Pinterest AND have a board dedicated solely to your art? We'd love to help promote you - please send a link to swanson121@cox.net or contact@JenniferRichards.com and SDAG will follow your board.

Have you heard of Pinterest but have no idea what it is or what to do with it? They have a Getting Started guide at <https://help.pinterest.com/en/guide/all-about-pinterest>. Think of it as a network of bulletin boards filled with millions of pretty pictures submitted by users all around the world. Use it to gather inspiration, advertise art and products, and share pretty things. Why is this beneficial to us as artists? Because we are creating and selling things with visual appeal, and Pinterest (unlike Facebook and most other social media sites) is all about visual things!

May Monthly Show Judge - Richard Stergulz

Richard is an Illinois native who by the age of eight knew he wanted to be an artist. He graduated from the American Academy of Art in Chicago in 1983 which began his successful commercial art career. After 12 years of doing commercial art, Richard felt it was time to fine tune his fine art style.

Richard moved to California in 1995 and started painting for himself in a realistic style with a touch of Russian impressionism. "I admire the Russian Impressionists, especially Nickolai Fechin, for their intense brush strokes that exude passion into their paintings. I also admire Norman Rockwell for his amazing drawing ability and the volume of work he produced in his lifetime." Lastly, Richard admires John Singer Sargent for his portrait work. "His portraits give a sense of reality but still have a painterly style which I hope to aspire to."

Richard works in oils on masonite board. His work is mostly figurative and he has started plein air painting as much as possible. He teaches class four days a week as well as doing demos for most of the Art Associations in San Diego and Riverside counties.

Richard's work hangs in galleries in Santa Monica, Idyllwild and Vista, California. His paintings have won numerous awards from Best of Show to People's Choice.

MAY 17TH, Workshop with ARTIST'S DEBBY AND LARRY KLINE
"DRAWING WITH THE KLINES"

About the workshop: We will be discussing our work and how we collaborate, mostly as a means to generate images and ideas. We will then engage the group in activities to help them create and collaborate. Attendees will be drawing, so feel free to bring a sketch pad and any your choice of drawing materials.

Artist's statement: We use our art to make people think differently. We pose provocative questions, challenge preconceptions and generally screw with context to make a point. Humor softens the blow. Our media varies from project to project. We believe that artists (and audiences) are at their best when working beyond their comfort zones so we venture toward media with which we are less familiar or entirely untested. It is the process of experimentation that leads to truly amazing things in the studio. This means we may work with traditional sculptural media or explore the potential of materials such as fluorescent light bulbs, tobacco, salt, prescription

medication, mud, foam, cement and ketchup. Our subjects vary but some examples of issues that we have tackled include religious tolerance, California/Mexico relations, medical access and environmental issues.

Debby and Larry Kline were awarded the 2013 San Diego Art Prize and Established Artist Grant, which recognizes the work of some of the most accomplished artists in the San Diego/Tijuana region. They were also featured in an Emmy Award winning episode of ArtPulse TV in 2014.

JUNE 21TH, Workshop: Flow with

ARTIST JUNE RUBIN & YOGINI-DANCER MARA CARRICO

WORKSHOP DESCRIPTION: An interactive experience of art and movement, the theme of this workshop is the mandala, which means circle in Sanskrit. Used by ancient cultures for millennia as a vehicle for meditation, the circle symbolizes our interconnectedness with one another and of nature with man. Circles represent our natural wholeness and the cyclical essence of time and form. The workshop will begin with simple movements and exercises designed to stimulate this connection through the means of watercolor, collage, and the written word. This collaborative effort is a debut for these two spirited artists. Participants will go home with their own personal mandala.

SUPPLIES: All art materials and journals will be provided by June and Mara.

ATTIRE: Wear comfortable clothing and soft-soled shoes.

June Rubin is a true artist of our day, a local San Diego artist/educator with an Art Studio/Gallery located in Liberty Station NTC. Inspired by her international travels, she expresses the natural beauty of the world she sees using watercolor and collage.

www.junerubin.com

About Mara's Work: Inspired by Sufi dancing, this local yoga instructor is developing her Chant Dance program at the Encinitas Community Center. Mara first started choreographing to poetry when she was invited by Ruth St. Denis to perform at Miss Ruth's weekly poetry salon at her studio in Los Angeles. Her current focus is mating her creativity, skills and experience in the spiritual arts with those of dance, prose, and poetry.

Carol said thank you to the board members who helped with this year's Mother's Day fundraiser. She also especially thanked Laura Lowenstein, past president, for stepping up to Chair the event.

Carol shared a quote she heard recently with the Board: "Ideas are to be built upon not torn down."

Motion: Karen Fidel motioned for the SDAG April minutes to be approved with Grace Swanson seconding the motion. Approved: 14, Opposed: 0 Abstained: 0. The motion carried.

Linda Melemed - Treasurer's Report

Linda reviewed the P&L and stated that nothing was unusual. Carol Korfin also agreed, having reviewed it in detail previously.

Motion: Karen Fidel motioned for the financial reports to be approved by the board with Sharon Hoffman seconding the motion. Approved by the board.

Laura Lowenstein - Mother's Day Event

Laura said that she was still waiting for final expenses and would have a complete report for the June meeting.

She extended special thanks to Paul Richter, Pam and the committee members who made everything run smoothly.

There were 10,853 visitors per the tally sheets and there were good comments overall.

Laura felt that 10 homes were too much. Also, credit card sales were problematic this year and she asks the Board to help to find a solution for next year.

The Bauer home was the most popular. Artists in Charge were polled for feedback.

Grace Swanson – PR

Grace reviewed plans for a community event called the "Sip & Stop" – Taste of Main Street - scheduled on August 18th. She will request that the Gallery offers wine instead of beer.

A member, Pat Beck who lives in Rancho Santa Fe wants to host an event of some sort at her home as a fundraiser for the Guild. The Board discussed the possibility of having something similar to "Try It You'll Like It" for members. She will review dates and event details and follow up with the Board via email shortly.

Motion: Grace Swanson motioned to go forward with the plan. Karen Fidel seconding the motion. The motion carried.

Grace circulated a list of all members who did not participate or help in the Mother's Day event and asked if anyone knew the backstory for any of them.

A suggestion was made to update the Member agreement to more emphatically cover the requirement for volunteering to help the Guild thrive.

Mother's Day event advertising included spending \$430 on Facebook ads.

Rita to find volunteers to help input the new names of Mday visitors captured from the ticket stubs. Linda Melemed said that she would input a half.

Carol Korfin – President

Carol noted that our neighbor, The Magical Child, is celebrating their 20th Anniversary on June 7th and has invited the center's retail stores to contribute to a tote stuffer. It was agreed to give them a \$25 gift certificate to the Gallery.

Carol's granddaughter, Haley Lindenberg, has submitted a proposal to create a Social Media plan for the Gallery for a flat fee of \$200. There was some discussion among Board members, all very positive.

Motion: Grace Swanson motioned moved to accept the proposal. Devora Safran seconding the motion. Carol Korfin abstained. The motion carried.

The idea of holding a 50th Anniversary event at the Lumberyard was brought up for discussion. Tentatively scheduled for August 30th from 3 pm – 5 pm, Carol said that she would speak to DEMA for guidance with getting a

one-day liquor/special events license and St. Tropez about catering the event. Depending on the results of both, she or other Board members would approach the landlord about getting approval to hold it out on the patio. Grace also suggested that we give Docents a 10% off coupon for purchases at the gallery AND extend a special invitation to the August reception, which will include honoring them.

Gallery 21 in Spanish Village in Balboa Park has sent a notice to the Guild about a Pop Up Art Gallery they sponsor. We've been invited to participate in 2016. This exhibit will begin with an opening reception and run for 12 days. It will cost us \$425 plus a 20% commission of all sales. This type of event will expand SDAG/OTR's reach and exposure.

Motion: Jill Svendsen motioned moved to apply for a spot in 2016. Pam Waldman seconding the motion. None opposed. The motion carried.

The Trifecta Event is moving forward and will start on Oct 15th and run through October at the Hubert Turner Gallery in Del Mar. The art displayed there will be in glass cases on the outside of the building. The reception will be on a Sunday afternoon in the outside patio of Hubert Turner Gallery with other artists displaying their works. These artists will have to be juried in to display their art. The other venues, Oceanside Museum of Art and the Sargeant Art Group have agreed to participate. Daniel Foster of the Oceanside Museum of Art is doing the PR for the event.

Sharon Hoffman – The Paint Rag Newsletter

Sharon mentioned that she needs an article for a Mother's Day report as well as photos. Also, there is a serious need for a new photographer for the Monthly Show winners. Current volunteers don't seem to take the task seriously and the quality of the photos has been consistently poor.

Events – Julie Bubar (in absentia).

Grace gave an update. Workshops at the Library full with a waiting list or nearly so. Comments from attendees are always really positive.

Soravia Sales _ Lin Holzinger

Lin reported that the Soravia booth sold \$1940 in paintings. She also asked Linda Melemed to transfer

\$75 from the proceeds to the Mother's Day Artist's registration fund to pay for the booth, netting \$1865 for the Guild. Lin also thanked Joan Grine, Sharon Hoffman and Linda Melemed for working the booth with her for the Mday show.

Rita Cecil - Hohweller – Jobs

Rita led a discussion about jobs. She needs to confirm wall and floor renter's jobs. Dolores has been able to capture that information during sign-up. The Wall Chairs have not had as much success. Aleksandra and Lin will send out an email to all Wall renters immediately to request getting that info and passing it on to Rita.

Rita will set up a separate meeting of Gallery Committee to define/update jobs requirements as mentioned above by Grace Swanson.

Motion: Grace Swanson motioned for the board meeting adjournment. Sharon Hoffman seconded the motion. All approved by the board.

The meeting was adjourned at 12:32 p.m.

Mother's Day Tour a Huge Success!

This year's Mother's Day Art, Garden and Studio tour, our 21st, enjoyed two beautiful days of weather following an unusual rain storm the day before. With friends and family in tow, many participants were able to experience all 10 of the unique homes, some all in one day. A wide variety of Guild artists set up their booths at each of the homes to provide a unique couple of days of art appreciation while relaxing and enjoying refreshments at each home.

Many thanks go to all those that helped with the preparation and all the details that went into putting on our event. We couldn't have had such a successful tour without the generosity of the ten homeowners, all the docents that welcomed visitors at each home, and the participating artists on the tour that provided the refreshments and hospitality along with the homeowners.

Special thanks goes to the Mother's Day Committee and those generous Guild members that were willing to put in extra time to make things go smoothly. The tour couldn't have happened without your help! We're pleased that this year's tour has provided the Guild with a necessary boost to our yearly operating budget. We're able to give 10% of our net profits for 4 scholarships of \$500.00 each to four MiraCosta art students to help them reach their artistic goals.

Photos of Debby and Larry Kline Demo

SDAG programs presented "Drawing with the Klines" on May 17. Debby and Larry Kline met all our expectations, to encourage us to draw everyday. After a brief slide show, and video presentation of their International Art Work, we were assigned three drawing projects! #1, popcorn, before and after. From your imagination the popcorn is drawn simple, like a flower. When the real life popcorn is placed on the table, it is drawn in detail: lines, shadows, contour, shape, and tasty. #2 "Yoko Ono Poem", as a verbal interpretation describe it as a work of art, in front of everyone. #3 the word "Occasion", write down on paper what does this mean: Holiday, Birthday, Wedding. What does Wedding mean: love, hurting shoes, candles. Next draw these three words.

Debby and Larry walked around and talked with each one of us about our drawings. Yes, there was free Godiva chocolate, water, pencil, eraser, paper provided by SDAG, Mizel Grant, City of Encinitas Art Division and Encinitas Library Gallery Space. The Kline's donated a ceramic work of art which was from their "Candy Shop" concerning medical prescription drugs. Check out what you missed at www.jugglingklines.com

June Monthly Show Judge - Helen Shafer Garcia

Helen lives and works in North San Diego County, CA as an Artist, Illustrator, Arts Instructor and Gardener. Helen's paintings are emotionally drawn encounter with paint, color and texture that invokes the spirit for a intriguing visual journey. Some of the images recount visuals from Mexico, New Zealand and other lands intertwining legends, flora, fauna and icons. The works involve the process of transference-subtraction and addition of paint and found objects. She's currently working with watercolor, pastel and mixed media creating contemporary images on paper along with a series of Icon folklore triptychs with wood, watermedia and found object construction.

Helen's illustrations have graced the cover brochures of numerous International resorts and magazines including the Westin St. John Resort, Acapulco Diamante Resort, the Sorrento Hotel, and in California, Westin Mission Hills Resort, La Quinta Resort, Marriott Desert Springs Resort, Mira Monte Resort, Beverly Garland's Holiday Inn, the Claremont Resort, and San Diego Home/Garden Lifestyles Magazine.

Helen teaches college level watercolor and acrylic painting. She also teaches books arts, painting, mixed media, and pastel classes and workshops at various north San Diego County Art Schools and Adult School locations.

July Monthly Show Judge - Sally Phillips

Sally Phillips has been working with Pastels on Fine Art paper for three decades. Her love of the medium began with photography. The soft edges that can be achieved with pastels are reminiscent of a soft focus on the lens of a camera. No other medium can duplicate the transparent look of pastels.

As a designer she began using the camera to capture the moment and used those moments to create her pastels. Sally's early work were from the streets of Venice, California. Her work was shown and purchased by the Robert Berman Gallery in Venice before she left to live on Kauai.

On the island her focus shifted to the incredible, pristine skies above and the ocean surrounding the land. The colors on the island were undeniably brilliant and the medium of pastel could lift you right into the skies where the clouds played out a constant drama from sunrise to sunset.

After moving back to the West Coast, Sally Phillips began teaching her very personal technique at the San Diego Art Institute. The California coast has provided a wealth of vibrant images of ocean, coast and sky.

Karen made a motion to accept the minutes with the one correction, Linda Melemed seconded, and the minutes were unanimously approved.

Treasurers Report –The financial report was emailed by Linda Melemed. She reported that we have a \$15,000 profit as of the end of May, vs. a \$5,000 profit for the same time last year. This is due to the profit for Mothers Day. She also reported that we have about \$128,000 in cash reserves. She will research CD interest rates, which are currently at historic lows. Lynn Lin Holzinger made a motion to approve the treasurer's report, Terry seconded, and the report was unanimously approved.

Programs – Julie Bubar showed us a listing for the gallery in the Del Mar Fair Guide. She talked about the workshop we had on May 17. The next workshop date was changed from June 21 to June 27. We discussed ideas for the next reception – whether it should be a "Super" reception in the courtyard or just a reception at the gallery. After discussion, Grace said that it was too much to take on the Super reception at this time and made a motion to have a reception in the gallery with just the featured artists. Karen will set up the meeting.

Gallery Committee. Linda Melvin distributed her Gallery Committee Report. She would like to set up a committee for a training session. She is trying to get all the Wall and Floor Renters to let us know what job they will do. She advised that the new wall and floor fees are as follows:

**JUNE 21TH, Workshop: Flow with
ARTIST JUNE RUBIN & YOGINI-DANCER MARA CARRICO**

WORKSHOP DESCRIPTION: An interactive experience of art and movement, the theme of this workshop is the mandala, which means circle in Sanskrit. Used by ancient cultures for millennia as a vehicle for meditation, the circle symbolizes our interconnectedness with one another and of nature with man. Circles represent our natural wholeness and the cyclical essence of time and form. The workshop will begin with simple movements and exercises designed to stimulate this connection through the means of watercolor, collage, and the written word. This collaborative effort is a debut for these two spirited artists. Participants will go home with their own personal mandala.

SUPPLIES: All art materials and journals will be provided by June and Mara.

ATTIRE: Wear comfortable clothing and soft-soled shoes.

June Rubin is a true artist of our day, a local San Diego artist/educator with an Art Studio/Gallery located in Liberty Station NTC. Inspired by her international travels, she expresses the natural beauty of the world she sees using watercolor and collage.

www.junerubin.com

About Mara's Work: Inspired by Sufi dancing, this local yoga instructor is developing her Chant Dance program at the Encinitas Community Center. Mara first started choreographing to poetry when she was invited by Ruth St. Denis to perform at Miss Ruth's weekly poetry salon at her studio in Los Angeles. Her current focus is mating her creativity, skills and experience in the spiritual arts with those of dance, prose, and poetry.

SDAG and Pinterest

SDAG is now on Pinterest! This is a great way for the Guild and its members to promote our art and events to a worldwide audience and make it easier for locals to see what we're up to.

Are you on Pinterest? If you have a Pinterest account you can "Follow" the SDAG boards by visiting <https://www.pinterest.com/sandieguitoart/> and clicking the red "Follow" button at the top right corner. Are you on Pinterest AND have a board dedicated solely to your art? We'd love to help promote you - please send a link to swanson121@cox.net or contact@JenniferRichards.com and SDAG will follow your board.

Have you heard of Pinterest but have no idea what it is or what to do with it? They have a Getting Started guide at <https://help.pinterest.com/en/guide/all-about-pinterest>. Think of it as a network of bulletin boards filled with millions of pretty pictures submitted by users all around the world. Use it to gather inspiration, advertise art and products, and share pretty things. Why is this beneficial to us as artists? Because we are creating and selling things with visual appeal, and Pinterest (unlike Facebook and most other social media sites) is all about visual things!

Officers Absent: The meeting was called to order at 10:04 a.m.

Treasurer's Report: Linda Melemed

Linda reported that there is about a \$1,500 loss every month due to increasing expenses. The rent for the gallery went up over \$500/month and the cost of the new light bulbs and air conditioning during summer months has increased costs. However, there is plenty of cash. Motion: Julie Bubar motioned for the SDAG June minutes to be approved with Karen Fidel seconding the motion. Approved by the board.

Membership Chair: Karen Fidel: A new membership fee for family membership will be \$125/year. The board discussed the possibility of current members to be grandfathered in for family membership and pay current price of \$85. The board decided it wouldn't be feasible and not fair to new members.

Motion: Karen made a motion for the family membership fee be \$125/year with Sandy Health seconding the motion. Approved: 15, Opposed: 0, Abstain:1

grant with the City of Encinitas and Mizel Family Foundation is \$3,000 for supplies for the classes that was awarded at the last meeting with Cheryl Ehlers. Cheryl instructs the guild on how to handle the supplies. Julie said that the emails she receives about the Demos are real testimonials to the support that the students give to these classes! The Mara Carrica demo and Angela Jackson classes were full and the raffle produced \$260 and \$125 respectively to the artists.

PR - Grace Swanson: The latest Try IT Classes at Pat Beck's home in Rancho Santa Fe was a great success. There were 41 students that paid \$45 totaling \$1,845 with \$1,511.18 paid for supplies, so the SDAG made \$333.82 in profit. Another place to hold future Try It classes for free needs to be found.

At the social media meeting, some younger people attended and offered their expertise on Facebook, Instagram, and a Blog for the gallery. Michael Chestnut is a new member and a photographer who Grace will ask to help out with photos for the newsletter. She wants to try out Amazon Smile first before purchase. Since SDAG is a nonprofit, a percentage will go the guild/gallery.

The next gallery reception will be August 30th from 3:00 to 5:00 p.m. for the 50th Anniversary celebration. Nametags will be available for the featured artists and students that are being given scholarship awards.

Webmistress: Jill Treadwell Svendsen: Jill is working steadily to update the gallery's new website and should be up and running in September. Message from SDAG President

Summer is here. But we're not on vacation. A super Try It You'll Like It class will be held in July at a fabulous location. Only a few spots left! Next, we will have a wonderful reception in August, where we will feature some of our own artists - Marilyn Shayegan and Jennifer Richards - as well as present scholarship checks to four deserving Mira Costa Art students. Keep your eyes posted for more info.

And also, it is election time again. Many of my current board members are staying on in their positions, a few are looking to change positions and a few are leaving the board. If you have a burning desire to help us continue our great work, let me know what your expertise or experience would help us out with.

And last, but not least, have a creative summer!

July Monthly Show Judge - Sally Phillips

Sally Phillips has been working with Pastels on Fine Art paper for three decades. Her love of the medium began with photography. The soft edges that can be achieved with pastels are reminiscent of a soft focus on the lens of a camera. No other medium can duplicate the transparent look of pastels.

As a designer she began using the camera to capture the moment and used those moments to create her pastels. Sally's early work were from the streets of Venice, California. Her work was shown and purchased by the Robert Berman Gallery in Venice before she left to live on Kauai.

On the island her focus shifted to the incredible, pristine skies above and the ocean surrounding the land. The colors on the island were undeniably brilliant and the medium of pastel could lift you right into the skies where the clouds played out a constant drama from sunrise to sunset.

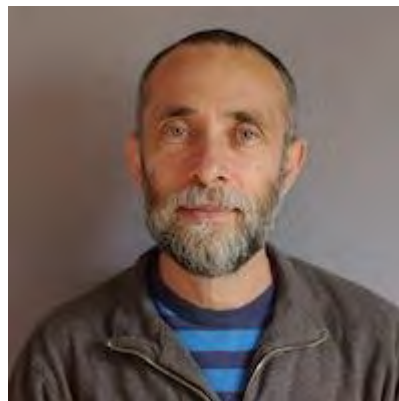

After moving back to the West Coast, Sally Phillips began teaching her very personal technique at the San Diego Art Institute. The California coast has provided a wealth of vibrant images of ocean, coast and sky.
